What’s in the Box?
by Brandee Fisk
One sunny morning, I went to a forest with my friend Ella. We found a pink and purple box. I asked Ella what she thought was inside. Ella said, ‘let’s open it!’ So we did.

As soon as we opened it we were sucked in. We landed in Candyland. We ate lots of lollipops and candy. Then we turned into big fat blueberries! We became very sick. So we decided to eat ourselves. After a time we became skinny again. We found the pink and purple box again. We hopped inside it. Then we found ourselves back in the forest again.

And we love to perform
Dear Parents / Caregivers

Welcome to term 3. Your children have settled very quickly into school routines, despite the cold, windy weather. We have a lot happening this term with swim school, Wollondilly Performing Arts Festival and making movies for our Cineliteracy program. It is going to be a jammed packed term with lots of learning, performances and extra curricula activities happening.

School Evaluation Processes

NSW public schools are required to conduct evaluations to support the effective implementation of the school plan. As part of this evaluation process we seek feedback from our parent community, students and staff in variety of ways. To collect some of this information we are asking you to complete the surveys accompanying this Grapevine. Your completed surveys will give us valuable information about our school’s culture and current learning programs.

Students and staff will also complete similar surveys. The surveys are back to back on one sheet of paper and should only take a few minutes to complete. Please give your child your completed survey for them to return to the school office. When the office staff receive your survey your child will receive a reward. Obviously if you have more than one child at the school they will need to collectively go to the office to receive a reward each. Please return your surveys to the office as soon as possible.

Library

We have received new shelving for our Library and hope to reorganise it completely this week. Due to this, children will not be able to borrow books whilst we make the necessary changes to the Library. We are hoping this will only be a problem this week.

School Photos

School Photos will be taken on 30/7/2014. All students need to come to school dressed in their sports uniform that day.

Kindergarten Enrolments for 2015

We are now taking enrolments for kindergarten students for next year. More information and dates will be available about this later on in the term.

Information and Notes

Due to the fact we have so many activities happening, we have sent quite a lot of information and permission notes home with your children this term. Unless absolutely necessary we will keep all information sent home to you restricted to Wednesdays with the Grapevine even weeks and events odd weeks.

Café Buxton

Next Café Buxton is the 19th of August at 9.00am in the Library. We have no agenda other than a coffee/tea and chat. Please come along and join us.

Hope you all have a great week.

All positions for the Swimming Program have been filled.

P & C NEWS

The P & C would like to say a massive thank you to everyone who participated in the chocolate fundraiser, what a fantastic effort from students and their families. We would also like to remind those who haven’t yet returned their money and/or chocolates could they please do so as soon as possible.

You should have all received a note about the P & C sausage sizzle at the Athletics Carnival. All order forms are due back at school by this Friday.

The Buxton Public School car boot sale is being held on Sunday 14th September and we are looking for more stall holders. The cost of a stall is $15. If you are interested in holding a stall please email your details to bpscarbootsale@hotmail.com.

The P & C meeting was cancelled last week and moved to this Wednesday 23rd July. If you would like to come along please join us in the staff room at 6.30pm.

Thank you from the Buxton P & C
