Dear Parents / Caregivers

Recently, I had the pleasure of taking our four School Captains to the ‘Together Art Exhibition’. The exhibition was first launched nine years ago to celebrate and acknowledge reconciliation. The art pieces demonstrated caring and related closely to the theme ‘It’s time to change it up’. The exhibition has grown each year and this year 250 pieces of work from many schools in the area were exhibited. It was lovely to see work by children from each grade in Buxton School exhibited too. Our School Captains once again represented our school well and chatted to both elders from Tharawal Land Council and members of Wollondilly Council about the work.

Thank you to the many parents who supported our ‘Biggest Morning Tea’ by either attending the event or buying raffle tickets. I am sure the Cancer Council greatly appreciated our support along with the hundreds of other organisations that supported the day. Also, thank you to Miss Spiteri for organising the event and the staff for providing the cakes and savouries. One last thank you to Mrs Messham, for donating her beautiful ‘teapot cake,’ which was raffled on the day.

Well done to our two debating teams who faced Douglas Park in an inter-school competition last week. The students in both of our teams presented challenging arguments and rebuttal.

The next couple of weeks look very busy. On Monday 15th June your child will bring home his/her school report. The report envelope will also contain a letter in regard to parent interviews next term. We hope that many parents will be able to attend interviews to discuss their child’s progress in learning.

Our ‘Celebration of Learning Assembly’ is on Wednesday 24th June at 9.30 a.m. We hope you are able to join us for this event.

On a less happier note, I have been informed by a member of the community that some of our students have been collecting money for charities by knocking at doors. They have claimed they are collecting for the Year 6 Farewell and ‘Kids’ Cancer’. We have not asked our students to do this and are quite alarmed by it. I am sure you will appreciate that this could also place a child at risk should he or she knock at the wrong door. The students involved do not have identification and have not been asked by their teachers to do this but they have been clearly identified as Buxton Public School students. Please contact the school if this should happen to you.
