SOCCER GALA DAY
The senior soccer team came 2nd over all and the juniors played well all day. A big thank you to Mrs Riddell who helped organise the children on the day.
Dear Parents / Caregivers

It’s hard to believe the term is nearly over, it has flown past but it has certainly been very busy. This morning we held our ‘Celebration of Learning Assembly’ and many children were rewarded for their progress in learning.

On Friday we are having our first ‘Positive Behaviour for Learning Fun Day’. A letter was sent home explaining what will happen on the day. Before recess all students will watch a movie as a reward for earning ‘paws’. After recess students who have earned one sticker will participate in team activities followed by a ‘Teddy Bears’ Picnic’. Students need to bring their own lunch and teddy for this (mine is already packed). After lunch, ‘two sticker’ children will have a cooking afternoon with Miss Spiteri. The children know which rewards they have earned and have informed their teachers!

Last week you received your child’s report. Next term, in Week 2, parent/teacher interviews have been organised and all parents are invited to meet with their child’s class teacher. If you have not yet arranged an interview I encourage you to do so as this is a great opportunity for you and the class teacher to discuss your child’s report and progress.

Students had the opportunity last week to watch an Aboriginal performance of ‘Kadul’. Everyone thoroughly enjoyed the performance by Ryka Ali an experienced Aboriginal performer. Thank you to Mrs Lamplough for organising the event.

Our debating teams visited Picton Public School yesterday for an inter-school debate. Although we didn’t win Miss Wyper said each of our teams presented strong arguments and performed extremely well. Well done to the debating teams and Miss Wyper and Mrs Pirie who coach the teams.

We were excited to learn this week that one of our students Kiarri Magee has been selected to participate in a program organised by the Ultimo Principal’s Network called the ‘Twugia 2015 Project’. This is an enrichment program for Aboriginal students in Year 5 who achieved the highest bands 7 & 8 in NAPLAN Writing (2014). Kiarri will collaborate with other students to create a starting school book for pre-school students. Well done Kiarri we are very proud of your achievement. Also, another Buxton student has made us very proud this week, many congratulations to Liam Sutton for his selection in the New South Wales Rugby League team. This is a great achievement, well done Liam.

Ms Bond has extended her leave next term and Mrs Wrightson will continue to teach 2T. Thank you to Mrs Hernandez for teaching 3 /4 O for most of this term. Ms Gentleman sends her best wishes to everyone and looks forward to seeing everyone soon.

I would like to thank the staff both teaching and administrative for their support in my role and their hard work and dedication. Also, many thanks to Miss Twist and Mrs Neich for their work in their roles as Relieving Assistant Principals, many, many thanks.

Finally, I’d like to wish you and your children all the very best for the school holidays.

Grapevine Term 3
A reminder that next term the Grapevine will only be sent out by email. If you have not yet given your email address to our office staff, please do so. A copy of each Grapevine can also be found on our school website. If you do not have internet please contact the office and we will organise a hard copy of the Grapevine to be sent home with your child.

The P & C has also kindly purchased an APP for the school called ‘Skoolbag’. This will enable us to send letters, the Grapevine, information and alerts via phone. Further information on this will be given next term.

Lost Property
There is a considerable amount of lost property that is still in the box. Many of the items have been there for most of the term. The box is placed outside the admin block each week and students are also told to check ‘lost property’ at recess or lunch playtimes when something is misplaced. Teachers also regularly display items of clothing that are left in the classroom, again items that are not labelled. I’d like to urge parents to label items as it makes it easier for children to identify what is their own clothing.
